A review from a Licensed Independent Social Worker: "Beautifully Broken: A Devotional Book About Hope, Faith, and Grief in the Midst of Chronic Illness is a beacon of hope for anyone navigating the often turbulent waters of chronic illness and pain. With profound empathy and wisdom, Leah takes readers on a transformative journey offering solace, strengths, and insight. Each page resonates with authenticity, reminding us that while our bodies may be broken, our spirits remain resilient. Leah's journey with chronic illness and her words to the world through this devotional is a testament to the power of faith, courage, and community in the face of adversity. Whether you're personally touched by chronic illness or seeking to understand it better, this book is a must-read!" - Kayla Dixon, LISW
